A Phrase That Had Its Origin in an Ancient Custom. The expression "stepping into an-

ether's shoes," like many another common phrase, had its origin in an as-

previously prepared shos. This shoe ago, was made from the skin taken from the right hind leg of a "three-winters-

The skin was flayed from above the made. The person to be adopted stepped into this shoe, taking into his arms one at a time, it is presumed, the younger sons of the man making the adoption. If there were also sons who asphyxiation one day last week. were of age they stepped into the shoe afterward, by this sign showing their consent to the adoption.

A man in this way could adopt an llegitimate son, making him his lawful heir, but in that case the father was obliged to step into the aboe first. they stepped into the shoe afterward; If there were no full grown sons, then the next of kin did the stepping, and Witnesses to the eeremony in the

tablish its legality. It will be seen that this was considered an important ceremony, and since so much "since stepping" was done it is not strange that the expression as now used passed into common speech.-Chicago Record-Herald.

Passing of the Umbrelia. "The time's coming," remarked a floorwalker in one of the big stores, "when umbrellas will be relics of the past. Automobiles are knocking them out. How to Save Coal and Still Burn a Plenty

It would pay you to use the best Coal it's possible to buy, even if you had to pay more, but you don't have to here. Then be careful to leave a fairly good pipe draft at night - warmer house in the morning from the same Coal that to shut at night and rush hard in the morning.
